**SECOND MILE
DEVELOPMENT, INC.**

Going the Second Mile

**And if one forces you to go one
mile go with him two miles.
Matthew 5:41**

The Goal of Second Mile

Second Mile desires to empower the community where the hopeless can find hope; where children can find love and laughter, where young men and women can look to the future with pride and eager anticipation rather than with fear and dread; where men and women of all ages can discover the depth and the breadth of Christ's love.

The ultimate dream of Second Mile is to bring about, through Christ, a reconciliation between all people—the rich and poor, the educated and uneducated, the fortunate and less fortunate.

Second Mile serves through three programs: Pride for Parents, Second Mile Preschool and Parent Initiative.

Pride for Parents

A program of restoration and hope that provides dignity, opportunity and hope to families in need. Pride for Parents accomplishes this through the following four activities:

The Neighborhood Store is a place that provides clothing and household items at a low cost and to families who can not afford to buy may work and earn credit for their needed items.

Santa's Secret Shop provides dignity to parents by making it possible for them to provide toys and gifts for their own children.

Kid Kits help parents purchase needed school supplies for a fraction of the retail cost. The tools for learning that their children need can be taken out of control of finances and put in the hands of concern and love.

(Began in 1987 and serves 1,000's each year)

Second Mile Preschool

Provides opportunities for young children to learn in a Christian environment where they are safe and loved. It is the mission of the Second Mile Preschool to give young children: successful experiences, develop listening skills, verbal expression, respect for authority, sensitivity to the feelings of others, appreciation of

individuality and having pride in their work.

Second Mile Preschool encourages and supports the children's parents to be an important influence in their child's life by being the child's most important teacher.

(Began in 1989 and has served over 300 children.)

Parent Initiative

Builds community through the empowerment of parents. Presently serves: Terry Heights, West Huntsville, Lincoln and Martin Luther King, Jr. Elementary Schools. Through the involvement of the parents, Parent Initiative encourages successful experiences in school by providing training, support and successful experiences.

(Began in 1993 and serves 1,000 children and parents.)
